**ABOUT THE CLASSES:** Weave in comfort with plenty of light and beautiful views! We are located on Highway 83, just a mile and a half northwest of the Hwy 20 & Hwy 83 split by the 'Cotton Exchange Restaurant'. Or, if you are coming from I-43, exit at Hwy 83 and we are 5 3/4 miles south, on the east (left hand) side of highway 83. There are blue driveway reflectors at the end of our long paved drive! Our paper box is on the west side of the highway—directly across from our drive. The address is 5151!

**PARKING:** Please do not park on the grass or in front of the garage door. There is plenty of gravel drive toward the barn along with a gravel parking area and you may park on the concrete in front of the house. (studio entrance is around back!)

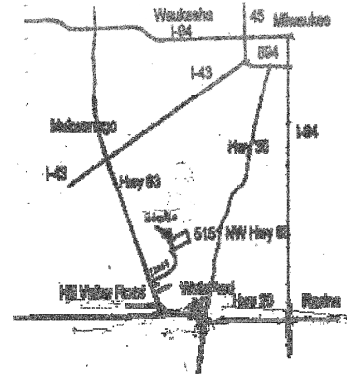

**ARRIVE** no more than 15 minutes before the scheduled class time, please. Enter through the north side door (facing the barn) and come right up!

**TOOLS** are available to check out for class use - free of charge. If you have your own tools feel free to bring them! Be sure your tools are labeled!

**REFRESHMENTS:** You may bring a beverage and/or a snack for yourself, if you like. *For classes over 4 hours long, please pack a lunch!* A microwave and refrigerator are available.

**REGISTER early, as classes fill quickly and are on a first come basis. Your registration is not complete until payment is received.** Should you register for a class which is cancelled or one that is already full, you will be refunded for that class. If you cannot make a class once you are confirmed, I will do my best to fill the space. If the spot cannot be filled, you have your choice of picking up the kit and pattern from the class or applying the price of the kit to another class in the future. The prices listed include an instructor fee which is non-refundable. In the case of severe weather, we will try to reschedule. If it is not possible, your full class fees will be refunded.

**REGISTRATION DEADLINE: March 30th!** This affords time to order the appropriate supplies and prepare materials for class. Classes not meeting the minimum (4) registrations by the deadline will be cancelled! ***When you register for a class with two dates offered, please list your 1st & 2nd choice to ease registration. Thanks!***
